FOUNDER SECRETARY'S MESSAGE

JSPM's Jayawantrao Sawant Polytechnic was established in 2006 with the objective of creating centre of excellence for education in the field of Engineering. The main objective behind starting the institute was to make technical education available to all who are desirous of achieving it. I also visualized that a social transformation can be brought through the medium of dynamic education, Jayawantrao Sawant Polytechnic is, thus, an institution of technical education with social commitment. With India and Indians, emerging as leaders across various professional sectors, it becomes an even greater challenge for the education sector to nurture and groom such abundant talent, which is all set to take industry's quest for excellence to dazzling new heights. We have created a learning culture, a friendly environment that facilitates complete development of our students. Our three pronged focus

Prof. Dr. T. J. Sawant

Founder Secretary

on knowledge, skill and attitude is aimed at meeting the needs of our customers, i.e., the industry. To achieve this we have handpicked the best faculty from diverse fields and expertise. We have invested in state of the art facilities, infrastructure and skilled human resources to supplement the culture and environment of the institute's good governance. Moreover, it is our pledge to change in tandem with the changing requirements of the industry and mould, develop and nurture talent that will make the nation proud.

**Prof. Dr. T. J. Sawant,
Founder Secretary, JSPM**

PRINCIPAL MESSAGE

It is observed that, the students those who are taking admission in the college are especially from rural areas. It is our duty to provide them skills and knowledge to empower and enhance them to meet their goals and achieve grant success in their career.

So, we have already started such efforts in this direction. I confidently welcome the student and promise them that their future shall be bright, if they are ready to take challenges to become successful professionals, giant leaders, entrepreneurs.

Our team is ready to enhance their qualities which are required to be the best Indian professionals and also encourage them to face rigors in the corporate sector. I always motivate the students by saying, "Try to climb high, wings are waiting for you".

Jayawantrao Sawant Polytechnic provides a a student-centred learning environment with close student-faculty interaction and constant participation of the industry. The emphasis is purposive curriculum, tailored to the needs of the industry and practical training to enable the young graduate easily cope up with the Challenges as they get into industries through periodic seminars, symposia, workshops, industrial visits and internship as an integral part of the courses, So, gear up for the hard work and I am sure you will enjoy your learning years.

With a lots of Best Wishes...!

HOD'S DESK

Department offers Diploma in Mechanical Engineering with 180 intake capacity in both the shifts. Along with fully equipped Workshop facilities, the department has well equipped Laboratories. The department consists of highly qualified, well experienced and dedicated faculties. Department regularly arranges Expert Lectures and Industrial visits along with workshop and seminars for the development of the students in various field. The department encourages and supports students in extra and co-curricular activities like sports and cultural programmes. We are also focused for the campus placements for our students.

- FIRST YEAR TOPPERS:**

Sr. No.	Student Name	Class	Per.
1	Jagtap Omkar	FYME	86.71 %
2	Shelar Durvank	FYME	85.06 %
3	Jagdev Anurag	FYME	84.12 %

- SECOND YEAR TOPPERS:**

Sr. No.	Student Name	Class	Per.
1	Shaikh Ikram	SYME	87.78 %
2	Harihar Nikita	SYME	84.00 %
3	Taru Omkar	SYME	82.44 %

- THIRD YEAR TOPPERS:**

Sr. No.	Student Name	Class	Per.
1	Auwais Lalkot	TYME	89.52 %
2	Satpute Pravinya	TYME	87.91 %
3	Ghodake Dinesh	TYME	86.67 %

WORD OF HONOUR (Guest lecture)

Department of Mechanical Engineering organized Gust lecture on "Advanced Creo" under the subjects of Solid Modeling & Automobile Engineering for Third year student Ms. Pratiksha Rachmale is the chief guest for today's program. He enlightened students regarding basics Solid Work

Department of Mechanical Engineering organized Gust lecture on “Build your Roadmap to Career Success!” under the subjects of Entrepreneurship development for Third year student Ms Ankita Kirve and her team is the chief guest for today's program. He enlightened students regarding career achievement and Personal growth.

INDUSTRIAL VISITS

Department of Mechanical Engineering arranged Industrial Visit at **KATRAJ DAIRY PLANT, PUNE**. For **SYME** Visit is arranged under the subject of Thermal Engineering . Objective of the visit is to Understand construction and working of steam power plant. During visit students also understand steam nozzles, steam boilers, steam turbine. They got the idea about heat transfer & heat exchangers & condensers. On Day & Date: Saturday (18/09/2024).

Department of Mechanical Engineering arranged Industrial Visit at **KATRAJ DAIRY PLANT, PUNE**. For **TYME** Visit is arranged under the subject of power plant Engineering . Objective of the visit is to Understand construction and working of boiler, cold storage. During visit students also understand various issues related to the Safety & Environmental norms. They got the idea about Freezing, Food Processing and Packaging Facility, Humidity control, Customized order, Import / Export facilities, Regular Maintenance. On Day & Date: Thursday (10/08/2024).

INDUSTRIAL VISITS

Department of Mechanical Engineering arranged Industrial Visit at **MUTHA FOUNDERS PVT. LTD., SATARA** For **TYME** Visit is arranged under the subject of Advanced Manufacturing Processes . Objective of the visit is to understand the various non conventional machining processes, milling machines, milling processes & CNC Part Programming. During visit students also understand working principle of milling processes, types of milling machines different types of milling cutters & Milling operations like plain milling, face milling, side milling etc. They got the idea about interpretation of CNC Part Programming codes, to prepare program using G-Codes & M- Codes. On Day & Date: Friday (04/10/2024).

Department of Mechanical Engineering arranged Industrial Visit at **MAYURESHWAR REFRIGERATION, URULI DEVACHI, PUNE-412308** For **TYME** Visit is arranged under the subject of Refrigeration & Air Conditioning (RAC). Objective of the visit is to understand the various Compressors, condensers & evaporators used in RAC. During visit students also understand working principle of Reverse Carnot Cycle, Bell-Coleman Cycle, Vapour Compression Cycle. They got the idea about Basics of Air Conditioning & Air Conditioning System. . On Day & Date: Monday (13/01/2025).

INDUSTRIAL VISITS

Department of Mechanical Engineering arranged Industrial Visit at **SCIENCE PARK, PIMPRI CHINCHWAD, PUNE** For **FYME** Visit is arranged under the subject of Applied Science. Objective of the visit is to Understand application of the basic concepts of science used in daily practices. During visit students also understand Basic principles of Physics & Chemistry with handling & observing the different types of models kept at Science park. On Day & Date: Saturday (14/01/2025).

Department of Mechanical Engineering arranged Industrial Visit at **MAPRO GARDEN LLP., 15/1B, GUREGHAR, PANCHGANI - MAHABALESHWAR RD, MAHABALESHWAR, MAHARASHTRA 412806** For **FYME** Visit is arranged under the subject of Applied Science. Objective of the visit is to understand various issues related to the Safety & Environmental norms. They got the idea about Freezing, Food Processing and Packaging Facility, Humidity control, Customized order, Import / Export facilities, Regular Maintenance. On Day & Date: Thursday (30/01/2025).

ACTIVITIES UNDER MESA

Department of Mechanical Engineering has organized **Parents -Teacher meet** With an aim to communicate the academic performance of the students to their parents dated on 22/02/2025 between 9.30 am to 1.30 pm. The dais was shared by Dr. S. M. Deokar (Principal) of the College, and Mr. A. S. Nikhade (Head of Department) and all class teachers. Mr. A. S. Nikhade (Head of Department), presented the departmental information and important dates. Mrs. A.H. Jagtap in her introductory speech explained the significance of Parent-Teacher Meet. The parent representative, Mrs Ashaha Satpute ,Mr. Shilimkar Prashat and Mr. Anand Malgunde expressed their views. There was an interaction between Teachers and Parents in which strengths and areas of improvement were discussed. The feedback from Parents was also taken on this occasion. Parents -Teacher meet was successfully conducted under the guidance of Mr. A. S. Nikhade (Head of Department).

ACTIVITIES UNDER MESA

Department of Mechanical Engineering has organized a **ROBORACE EVENT** on the occasion of **TechManthan 2025** dated on 28/01/2025 between 9.30 am to 4.30 pm. All the SYME and TYME Student get participated in the event and got the certificates.

Department of Mechanical Engineering has organized a **Educational visit to our JSPM University students** dated on 22/02/2025 between 9.30 am to 4.30 pm. All TYME Student get enriching experience where they explored the campus, interacted with professors, and gained valuable insights into various fields of study. The visit has truly inspired them to strive for excellence in their education.

PLACEMENT

We are happy to state that the Mechanical department has very nice record of placement of the students. Some of the students choose to go for the higher education and remaining students are placed in the industry. The institute has the tie-up with the well-known companies. Some of the prominent recruiters are Bajaj Auto Limited ,Minimac System Pvt. Ltd, Vishay Components, G-drej, Kirloskar, SKF, TATA, Walchandnagar Industries, John Deer, etc. To handle all the activities regarding the placement the Institute has the separate 'Placement Cell'.
