Activity Report:

In Language Laboratory, We have conducted Quiz Competition. The purpose of the activity is to prepare questions and asked the questions for correct answer. The students divided into two groups. Students from first year E & TC Engineering Program participated in Quiz competition. This activity planned on comprehension passages. Both group prepared questions based on given comprehension passages. Students from first year E & TC Engineering achieved Course Outcomes (COs) like Construct grammatically correct sentences in English (CO1), Deliver effective presentations in English using appropriate body language (CO5), from this activity.

This Elocution activity helps to achieve following Program Outcomes (POs)

PO1 – Basic & Discipline Specific Knowledge

Students used basic knowledge of usages of grammar while preparing questions and answers for Quiz Competition.

PO6 – Project Management

Students showed their performance in Individual as well as team work level. They communicate effectively.

PO7 - Life-Long Learning

Students can learn the formation of questions & its answers and it helps them for life long learning.
