PSO	-

Activity Report:

In Language Laboratory, We have conducted Elocution activity. The purpose of the activity is to prepare given topic and express the ideas and thoughts in his/her own sentences. Students from first year Civil Engineering Program delivered elocution on different topics like An Inspirational Real Story : N. Shiva Kumar, Gurmeet Singh : A Good Samartian, JRD TATA : A Benign Boss, Arunima Singh : A Biography etc. Students from first year Civil Engineering achieved Course Outcomes (COs) like Construct grammatically correct sentences in English (CO1), Compose paragraphs and dialogues on given situations (CO3), and Deliver effective presentations in English using appropriate body language (CO5)

This Elocution activity helps to achieve following Program Outcomes (POs)

PO1 – Basic Knowledge

Students used basic knowledge of usages of grammar while preparing and making elocution speech.

PO8 – Individual & Team Work

Students performed this activity in Individual level.

PO9 – Communication Skill

Students from First Year communicate their ideas & thoughts in English with proper use of correct grammar.

PO10 - Life Long Learning

Students can learn the formation of sentences and expression of thoughts and ideas for life long learning.
